Dear Parents and Toddlers:

Thank you for your interest in the Parent/Toddler Program at The Monarch Montessori School. Our Parent-Toddler Classes are designed for one parent and child (between the ages 2 years and 3 years old) to work together in the Montessori classroom for 1 ½ hours. The class schedule includes “work time” and circle time activities as well as snack and outside time if the weather cooperates! The summer session is one week long, and includes five classes. The fall, winter and spring sessions include six classes held on Saturday mornings.

A parent(s)-only orientation meeting is held before the start of each session to familiarize the parents with the classroom and daily schedule. We also review the Montessori philosophy and goals for children in our school. If you have attended a parent/toddler orientation in the past, you need not attend again.

The parent/toddler classes provide parents with an opportunity to experience the Montessori “hands on” approach to learning with their child. The children who attend the Parent/Toddler classes are given priority when for winter and spring parent-toddler classes, for fall preschool enrollment and for summer camp.

You may register for any of the following toddler sessions by mailing a completed application and a check for \$150.00 per session for fall, winter and spring or \$125.00 for summer to P.O. Box 609, Churchville, MD 21028. Class size is limited. An application is included. Applications are accepted on a first come/first served basis. You may apply for one or all sessions on the same application.
