Ms. Mary Ellen ~ Ms. Donna ~ Ms. Pam

We can read a word — the word I is also letter I which we emphasized this week! We made an iguana and stamped an igloo to practice the sound.

Thank you for making time to speak with me about your child this week! Conferences give us an opportunity to “check in” with our families and note how the children have grown in the weeks we have been in school! They are growing and learning every day!

My favorite moment this week was our introduction of Thanksgiving. In the book we read a child is sharing how he learned about the story of Thanksgiving at school. It talked about the Native Americans and pilgrims and how they worked together and helped each other at the end the children spontaneously began to clap! (We use the sign language version at school) I said, “Why did you clap?” They said because they worked together and helped each other! Our families must be doing something right!! Thank you.

Enjoy this beautiful weather!
